

AMENDMENTS TO THE SPECIFICATION

Please amend the paragraph on page 7, lines 2-10 with the following amended paragraph:

Other features and advantages of the invention will become apparent on reading the following detailed description and examining ~~the single figure~~ Fig. 1 of the appended drawing, which shows diagrammatically one example of a communication installation equipped with a processing server of the invention. ~~This figure~~ Fig. 1 is intended to contribute not only to describing the invention but also, where appropriate, to defining the invention.

Please amend the paragraph on page 7, lines 12-17 with the following amended paragraph:

The installation shown in ~~the single figure~~ Fig. 1 includes a private company network CN, a wireless local area network WLAN belonging to a group of companies, for example, a public switched telephone network PSTN belonging to a telephone carrier, and a public data network Internet/IP.
